To whom it may concern,

Date: 12/02/2025

The Eurotech Group PLC will be closing its Poole site at the end of March, currently known as Eurotech Special Products. All PCB manufacturer has now been transferred to the main Exmouth site.

The assembly side of the business is moving to a new site nearby and will be known as Advanced Assembly Solutions Ltd. All assets, employees, knowledge and experience along with all existing electronic data will be retained along with a revised scope within the existing AS9100 QMS. All operations, actions and activities will continue as normal.

Over the remainder of 2025 AAS will be working to finalise its setup and QMS within the new premises and apply for a new AS9100 certificate.

Yours sincerely,

Shawn Wadham

Director at Advanced Assembly Solutions Ltd.
